

# Organization Membership

| Name                      | Organization                                         | Time       | Level             |
|---------------------------|------------------------------------------------------|------------|-------------------|
| Aris Tri Wahyudi          | Perhimpunan Mikrobiologi Indonesia                   | 2005-2012  | National          |
| Aris Tri Wahyudi          | Indonesian Society for Nanotechnology                | 2008-now   | National          |
| Aris Tri Wahyudi          | International Society for Integrative Biology (ISIB) | 2008-now   | International     |
| Aris Tri Wahyudi          | Indonesian Society for Biology (ISB)                 | 2008-now   | National          |
| Aris Tri Wahyudi          | Asian Federation of Biotechnology (AFOB)             | 2009-now   | Intenational      |
| Dorly                     | Perhimpunan Biologi Indonesia                        | 2009-now   | National          |
| Suharsono                 | Konsorsium Bioteknologi Indonesia                    | 2010-2014  | National          |
| Suharsono                 | Perhimpunan Biologi Indonesia                        | 2009-now   | National          |
| Utut Widyastuti           | Perhimpunan Mikrobiologi Indonesia (PERMI)           | 2004-now   | Nasiona           |
| Utut Widyastuti           | Perhimpunan Biologi Indonesia                        | 2009-now   | National          |
| Utut Widyastuti           | Perhimpunan Nanoteknologi Indonesia                  | 2008-now   | National          |
| Utut Widyastuti           | Perhimpunan Fitopatologi Indonesia                   | 2009-now   | National          |
| Utut Widyastuti           | International Society on Plant Microbe Interaction   | 2004-now   | International     |
| Utut Widyastuti           | International on Molecular Biology, Japan            | 2005-now   | International     |
| Yohana C. Sulistyaningsih | Perhimpunan Biologi Indonesia                        | 2009-now   | National          |
| Hilda Akmal               | Perhimpunan Biologi Indonesia                        | 2008 - now | National          |
| Berry Juliandi            | Society for Neuroscience                             | 2010 - now | International     |
| Berry Juliandi            | Japan Neuroscience Society                           | 2010 - now | International     |
| Berry Juliandi            | Molecular Biology Society of Japan                   | 2009 - now | International     |
| Berry Juliandi            | International Primatological Society                 | 2010 - now | International     |
| Dedy Durjadi Solihin      | ICS: International Commission of Sericulture         | 1995-now   | International     |
| Dedy Durjadi Solihin      | Perhimpunan Biologi Indonesia                        | 2009       | National          |
| Bambang Suryobroto        | Perhimpunan Biologi Indonesia                        | 1991-now   | National          |
| Bambang Suryobroto        | Primate Society of Japan                             | 1989-now   | National (Jepang) |

|                      |                                                          |            |               |
|----------------------|----------------------------------------------------------|------------|---------------|
| Bambang Suryobroto   | Asosiasi Peminat dan Ahli                                | 1990       | National      |
| Bambang Suryobroto   | Primata Indonesia                                        |            |               |
| Taruni Sri Prawasti  | Perhimpunan Biologi Indonesia                            | 1985-now   | National      |
| Tri Heru Widarto     | Perhimpunan Biologi Indonesia                            |            |               |
| Achmad Farajallah    | Perhimpunan Biologi Indonesia                            | 2009-now   | National      |
| Achmad Farajallah    | Himpunan Ilmuwan Peternakan Indonesia                    | 2010- now  | National      |
| Dyah Perwitasari     | PERHAPPI: Perhimpunan Ahli & Pemerhati Primata Indonesia | 2010       | National      |
| Dyah Perwitasari     | Perhimpunan Biologi Indonesia                            | 2009       | National      |
| Dyah Perwitasari     | Primate Society of Japan (PSJ)                           | 2001 - now | International |
| Dyah Perwitasari     | International Primatological Society (IPS)               | 2010– now  |               |
| Dyah Perwitasari     | American Society of Primatologists                       | 2010-now   |               |
| Rika Raffiudin, M.Si | Kavli Frontier of Science Symp                           | 2011       | International |
| Rika Raffiudin, M.Si | Asian Apicultural Association (AAA)                      | 2005-now   | International |
| Rika Raffiudin, M.Si | Indonesian Entomology Society                            | 2010-now   | National      |
| Rika Raffiudin, M.Si | Indonesian Biology Society                               | 2009-now   | National      |
| Rika Raffiudin, M.Si | Asosiasi Perlebahan Indonesia                            | 20080now   | National      |
| Tri Atmowidi         | Perhimpunan Biologi Indonesia                            | 2009-now   | National      |
| Tri Atmowidi         | Perhimpunan Entomologi Indonesia                         | 2011-2016  | National      |
| Kanthi A. Widayati   | International Primate Society                            | 2010-now   | International |
| Kanthi A. Widayati   | Perhimpunan Biologi Indonesia                            | 2009       | National      |
| Kanthi A. Widayati   | Primate Society of Japan                                 | 2012       | National      |
| Dedy Durjadi Solihin | ICS: International Commission of Sericulture             | 1995-now   | International |
| Dedy Durjadi Solihin | International Rhino Foundation (IRF)                     | 2011-now   | International |
| Dedy Durjadi Solihin | Perhimpunan Biologi Indonesia                            | 2003-now   | National      |
