

Let's Compete in OSN PERTAMINA 2016

There are two activities in Pertamina OSN, namely the competition in field theory and science projects. Field theory much like OSN in Mathematics, Physics, Chemistry, and Biology. Science project in the form of creative works in form of Software Application (APL), Design (RB), and Superior Products (PU). The theme is Renewable Energy. Let's follow-up, scholarship prizes of millions of rupiah! registration is open until 30 September 2016.
