

[INVITATION] Half Day Seminar KU-IPB

**- Invitation -
Half Day Seminar**

- Presentations from Kasetsart University Exchange Graduate Students during Research Laboratory Training at Dept. of Biology
- Dr. Chatchawan Jantasuriyarat “Rice and Rice Blast Fungus Molecular Interactions”
- Dr. Kornorn Srikulnath “Using Chromosomics to Investigate Genome Structure and Evolution in Crocs, Snakes, and Lizards”

Date & Place: March 29, 2017, 09.00 – 12. 00, at Ruang Baca, Department of Biology, Faculty of Mathematics and Natural Sciences, Bogor Agricultural University, Indonesia

Half Day Seminar

1. Presentations from Kasetsart University (KU) Exchange Graduate Students during Research Laboratory Training at Dept. of Biology
2. Dr. Chatchawan Jantasuriyarat “Rice and Rice Blast Fungus Molecular Interactions”
3. Dr. Kornorn Srikulnath “Using Chromosomics to Investigate Genome Structure and Evolution in Crocs, Snakes, and Lizards”

Date & Place: March 29, 2017, 09.00-12.00, at Ruang Baca (change to RK BIO 1.3) , Department of Biology, Faculty of Mathematics and Natural Sciences, Bogor Agricultural University, Indonesia
