

Guest Lecture in Multi-omic

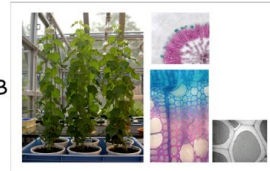

Guest Lecture:
Multi-omics approach to understand molecular mechanisms of woody mass production

FREE

Professor Taku Demura
Laboratory of Plant Metabolic Regulation
Nara Institute of Science and Technology (NAIST) Japan

Friday, 14 July 2017
Lecture Room 1.3 Department of Biology IPB
09.00 - 10.30 WIB

Organized by:
Department of Biology IPB and Nara Institute of
Science and Technology

Guest Lecture Prof. Taku Demura (Nara Institute of Science and Technology (NAIST) Japan) "Multi-omics approach to understand molecular mechanism of woody mass production" Friday, 14 July 2017 09.00-10.30 WIB at Ruang Kuliah 1.3, Departemen Biologi, FMIPA, IPB. Registration: <https://goo.gl/forms/ZsdWbDaLxxInaDUD2> Enjoy #biology enjoy #bioipb
