

HAYATI J Biosci Migration to HighWire Press

HAYATI Journal of Biosciences (HAYATI J Biosci) is no longer accepting any new submissions at this time as the journal will be transferred to HighWire Press, effective 1 January 2018. Consequently, the submission system for HJB will change from Elsevier Editorial System (Evis) to BenchPress. For more information and how to submit the papers to the journal, please contact the journal editorial office: bjuliandi@gmail.com. For the HighWire Press privacy policy, please visit <https://www.highwirepress.com/privacy-policy>. HJB is an international peer-reviewed and open access journal that publishes significant and important research from all area of biosciences fields such as biodiversity, biosystematics, ecology, physiology, behaviour, genetics and biotechnology. All life forms, ranging from microbes, fungi, plants, animals, and human, including virus, are covered by HAYATI J Biosci.
