

Guest Lecturer in Plant Biology (CRC EFForTS, B04 group)

Collaboration Research Center (CRC 990/EFForTS) - Ecological and Socioeconomic Functions of Tropical Lowland Rainforest Transformation Systems (Sumatra, Indonesia)

PRESENTS:

IPB-CRC 990/EFForTS SEMINAR SERIES (ICESS)

Speaker: Kyra May Ute Zembold
(M.Sc. Student at the Department of Plant Ecology, University of Goettingen)

Topic: "Xylem vulnerability to embolism in 10 tropical tree species"

Tuesday, February 27, 2018
at 10 to 11 AM

Venue: Ruang Baca, Department of Biology, FMIPA Bogor Agricultural University (IPB)

Host:
Dr. Triadiati, Department of Biology Bogor Agricultural University

Contact person: Dr. Triadiati (085013594437)
Sabito (085346793287)
