

Forecasting Biodiversity Losses in Wallacea from Ecological and Evolutionary Processes

Department of Biology, IPB University proudly presents

ForeWall and RangeShifter Workshops

IPBICC Bogor, Wednesday - Sunday, 10 - 14 July 2019

1. Forecasting Biodiversity Losses in Wallacea from Ecological and Evolutionary Processes
2. Spatial Eco-Evolutionary Modelling of Species' Responses to Environmental Responses

Workshop leaders: Dr. Berry Juliandi & Prof. Justin Travis

For more information contact Prof. Justin Travis: justin.travis@abdn.ac.uk or [Dr. Berry Juliandi S.Si., M.Si. bjuliandi@gmail.com](mailto:Dr.BerryJuliandi.S.Si.,M.Si.bjuliandi@gmail.com)
