# MCSTO IPB University-ForMIND International Conference

We are delighted to invite you to **MCSTO IPB University-ForMIND International Conference 2019** which will be held in Belitung Island, Indonesia on **October 28-29, 2019**. The conference that organized by MCSTO IPB University, ForMIND, I4, and ALMI has a theme of **Diversity for National Sovereignty through Sustainable Tourism**. The conference will bring the participants the opportunity to gain insight into recent research finding and to strengthen the friendship. In addition, the conference will provide a number of networking opportunities to help establish a strong collaboration between the participants as well as a trip to Belitung Island.

We invite you to attend an exciting scientific program comprising oral sessions with talks from Engineering, Life Sciences and Social Sciences, multiple poster sessions, luncheons, and networking events. Moreover, we have planned a range of social activities, including a welcome reception and excursion to some natural spots in Belitung Island.
