

Invitation to a guest lecture

IPB University
Bogor Indonesia

NAIST Japan

**DEPARTMENT OF BIOLOGY IPB
AND NAIST JAPAN**
cordially invite you to the seminar on:
"Bone Cell Biology in NAIST; My STRUGGLES to Understand How
Osteoclasts Acquire Bone Resorption Activity."

Dr. Kitagawa-Ishida Norihiro
Nara Institute of Science and Technology (NAIST)

Monday, November 25, 2019
10.00-12.00 WIB
@Ruang Sidang Biologi IPB
"free of charge"

Invitation to a guest lecture by Dr. Kitagawa-Ishida Norihiro

Nara Institute of Science and Technology (NAIST)

Topics: Bone Cell Biology in NAIST; My STRUGGLES to understand How Osteoclasts Acquire Bone Resorption Activity

Monday, November 25 2019 (10.00 – 12.00 AM)

Ruang Sidang Biologi 1st floor, Department of Biology, FMIPA, IPB University

Counterpart: [Dr. Berry Juliandi](#) (Division of Animal Physiology and Behavior)
