

Research Seminar for Bachelor Degree Student

The poster features a circular portrait of a young woman wearing a grey hijab and a blue top, set against a red background. The main title is in large, bold, yellow and white letters. The background of the poster is a mix of dark blue and yellow, with a microscopic image of cells at the bottom. The IPB University logo is in the top right corner.

SEMINAR HASIL PROGRAM SARJANA DEPARTEMEN BIOLOGI IPB

"Potensi Ekstrak Daun Cengkeh dan Eugenol dalam Memodulasi Apoptosis melalui Kajian *Molecular Docking*"

Dosen Pembimbing :
1. Dr. Rika Indri Astuti, S.Si, M.Si
2. Prof. Dr. Irmanida Batubara, S.Si, M.Si

Kamis, 9 Juli 2020
13.00-13.45 [Via ZOOM]

**Septyani Amini

25/94

Name : Septyani Amini

Student Register Number: G34160017

Supervisors :

1. Dr. Rika Indri Astuti, S.Si, M.Si
2. Prof. Dr. Irmanida Batubara, S.Si, M.Si

Topic: Potency of Clove Leaf Extract and Eugenol in Modulating Apoptosis through Molecular Docking Studies

Time and Date: Thursday, 9 July 2020 01.00-01.45 pm

Media : Zoom meeting

Registration Form:
