

Research Seminar for Bachelor Degree Student

The poster features a circular portrait of Fitri Balqis, a student wearing a light blue hijab, set against a red background. The main title 'SEMINAR HASIL PROGRAM SARJANA' is in large yellow letters, and 'DEPARTEMEN BIOLOGI IPB' is in white. The topic is 'Penapisan Bakteri Kitinolitik Rhizosfer Tanaman Bawang Merah [*Allium cepa* L.]'. Supervisors are listed as Dr. Nisa Rachmania Mubarik and Dr. Rika Indri Astuti. The date and time are Thursday, July 16, 2020, from 09.00 to 09.45 via WhatsApp group. A registration link is provided in a red button at the bottom. The background of the poster has a dark blue top section and a yellow middle section, with a grayscale image of plant roots at the bottom.
