

Research Seminar for Bachelor Degree Student

A blue poster featuring a central photograph of Siti Nurlela, a young woman wearing a grey hijab and a white long-sleeved shirt, smiling. The background is a dark blue gradient. At the top left are three logos: Institut Pertanian Bogor (IPB), bioipb, and ARCTODUS. At the top right, it says 'Animal Division Edition Seminar Hasil Penelitian'. The title 'ARCTODUS' is written in large, bold, yellow letters across the top. Below the title, the date '27 Mei 2021' is written. On the left side, the name 'SITI NURLELA' and NIM 'G34170001' are listed. Below that, 'EDISI 10/91' and a QR code are shown. On the right side, the research title is given: 'Judul Penelitian: "Neurogenesis dan Kemampuan Pembelajaran Memori Mencit (Mus musculus) setelah Pemberian Perlakuan Geraniol"'. Below that, the date and time 'Kamis, 27 Mei 2021 10.00 - 10.45 WIB via Zoom Meeting' and the registration link 'tiny.cc/FormDaftarSeminar' are provided. At the bottom right, the supervisors are listed: 'Dibimbing oleh: 1. Dr. Berry Juliandi, M.Si. 2. Prof. drh. Arief Boediono Ph.D, PAVet(K)'. At the bottom left, the website 'biologi.ipb.ac.id' and 'bioipb' logo are visible. At the bottom right, the phrase 'Rencanakan, Kerjakan, dan Publikasikan,' is written.

Name: Siti Nurlela
NIM: G34170001

Supervisor :
1. Dr. Berry Juliandi, M.Si.
2. Prof. drh. Arief Boediono Ph.D, PAVet (K)

Title of Scientific Paper: Neurogenesis and Memory Learning Ability of Mice (*Mus musculus*) after Geraniol Treatment

Time: Thursday, 27 May 2021, 10.00 - 10.45 WIB

Media: Zoom

Form Pendaftaran : <http://tiny.cc/FormDaftarSeminar>
