

INTEGRATIVE BIOLOGY CLASS

Main Organizer:

INTEGRATIVE BIOLOGY CLASS

For undergraduate students

Role of Physicochemical Properties of Cellular Microenvironment on Regulating Cell Behaviour

Wildan Mubarok, PhD.Eng
Department of Materials Engineering Science,
Graduate School of Engineering Science, Osaka University, Japan

- Thursday, 27 October 2022
- 16.00-17.30 WIB (Jakarta Time)
- Zoom link: <https://ipb.link/bio-integratif>
Meeting ID: 997 0046 3812
Passcode: bioipb

Autophagy in Cancer Therapy

I Ketut Gunarta, Ph.D
Division of Molecular Cell Signaling
Cancer Research Institute, Kanazawa University, Japan

- Friday, 28 October 2022
- 16.00-17.30 WIB (Jakarta Time)
- Zoom link: <https://ipb.link/bio-integratif>
Meeting ID: 997 0046 3812
Passcode: bioipb
