

# Intergrative Biology Class

Main Organizer:

## INTEGRATIVE BIOLOGY CLASS

For undergraduate students

**"Warm and Fed:  
How Asian Honeybees Adapt to Temperate Climate"**

**Prof. Dr. Xin Zhou**  
Department of Entomology,  
College of Plant Protection, China Agricultural University

Monday, 14 November 2022 ●  
16.00-17.30 WIB (Jakarta Time) ●  
Zoom link: ●
