

Guest Lecture on Biology

GUEST LECTURE ON BIOLOGY
For IPB Students
Tuesday, 20 August 2024
10.00-12.00 WIB (Jakarta Time)
Room: BIO 1.3

Bacterial Poly(ethylene Terephthalate) Metabolism and Its Application
Prof. Shosuke Yoshida
Laboratory of Environmental Microbiology,
Division of Biological Science,
Nara Institute of Science and Technology (NAIST), Japan

Counterpart:
Dr. Rika Indri Astuti
Division of Microbiology, Department of Biology,
Faculty of Mathematics and Natural Sciences,
IPB University

Organized by:

IPB University
— Bogor Indonesia —

Guest Lecture on Biology

Tuesday, 20 August 2024
10.00-12.00 WIB (Jakarta Time)
Room: Bio 1.3

Topic:

Bacterial Poly(ethylene Terephthalate) Metabolism and Its Application

Speaker:

Prof. Shosuke Yoshida
Laboratory of Environmental Microbiology, Division of Biological Science
Nara Institute of Science and Technology (NAIST)
