

First Announcement: ICoBio 2027

First Announcement: [ICoBio 2027](#)

[The 7th International Conference on Biosciences \(ICoBio 2027\)](#) “From Bioscience to Bioinnovation: Shaping a Sustainable and Resilient Future”

4–5 August 2027

IPB International Convention Center (IPBICC), Bogor, Indonesia

We are delighted to announce that the **7th International Conference on Biosciences ([ICoBio 2027](#))** will soon open its **Call for Papers**. This global event welcomes **students, researchers, and faculty members in biology and related fields worldwide** to share their latest findings, innovations, and insights.

Presentation Types: Oral & Poster

Scope: Biodiversity & One Health, Bioprospecting, Omics & Bioinformatics, Bioengineering & Synthetic Biology, Precision Agromaritime & Climate-Resilient Food Systems

Mark your calendars and get ready to be part of this inspiring international gathering. Stay tuned for further details on submission guidelines and registration.

[ICoBio 2027](#) — where bioscience meets bioinnovation for a sustainable future.
