

Collaborations

No.	Instance	Activity	Time (Start-Finish)	Decree
1	PT ARGYA Nusa AGRIFA	Initiation for formation of Pusat Olahan Madu Indonesia (POMI)	2021-2026	Nomor SK: 2654/IT3.F7/HK.07.00/2021
2	Universitas Syiah Kuala	Bee Conservation in Sumatera	2021-2026	Nomor SK: 2503/IT3.F7/HK.07.00-3/P/B/2021
3	Universitas Jambi	MBKM Activity	2021-2026	Nomor SK: 4627/IT3.F7/HK.07.00.02/2021
4	PT Atrindo Asia Global	MBKM Activity	2021-2026	Nomor SK: 4631/IT3.F7/HK.07.00.02/2021
5	CV. ESHA BIOTECH, ESHA Flora	MBKM Activity	2021-2026	Nomor SK: 4632/IT3.F7/HK.07.00.02/2021
6	PT. Nectars Natura Karya	MBKM Activity	2021-2026	Nomor SK: 4632/IT3.F7/HK.07.00.02/2021
7	Universitas Jendral Soedirman	MBKM Activity	2021-2026	Nomor SK: 4631/IT3.F7/HK.07.00.02/2021
8	Universitas Pertahanan	Development of Study Program in Faculty of Mathematics and Natural Sciences, Defence University RI	2020-2023	Nomor SK: 1282/IT3.F7/HK.01.03/2020
9	Kementerian Lingkungan Hidup dan Kehutanan (KLHK)	Enhancing environmental and forestry management	2020-2025	Nomor SK: 19/IT3/HK.01/2020
10	PT Agincourt Resources	Tridharma collaboration, Biodiversity and environmental conservation in Indonesia's mining areas	2020-2025	Nomor SK: 97/IT3/HK.01/2020

11	Badan Pengelola Geopark Nasional Pulau Belitung	Implementation of Biodiversity Exploration and Conservation in Belitung Island National Geopark	2018-2023	Nomor SK: 4447/IT3.F7/KS/2018
12	Yayasan Inisiasi Alam Rehabilitasi Indonesia	Tridharma collaboration	2020-2023	Nomor SK: 64/IT3/HK.01/2020
13	Yayasan Cikanga Konservasi Terpadu	Tridharma collaboration	2020-2023	Nomor SK: 88/IT3/HK.01/2020
14	Universitas Terbuka	Tridharma Collaboration	2022-2027	Nomor SK: 2106/IT3.F7/HK.07.00.02/2022
15	Pusat Penelitian Biomaterial, Lembaga Ilmu Pengetahuan Alam (LIPI)	Tridharma collaboration, MBKM activity, workshop, and seminar	2021-2026	Nomor SK: 1954/IT3.F7/HK.07.00.02/2021
16	Fakultas Keamanan Nasional, Universitas Pertahanan	Undergraduate educational cooperation program	2020-2023	Nomor SK: 1282/IT3.F7/HK.01.03/2020
17	Faculty of Science, Kasertsart University, Thailand	Student exchange for undergraduate student	2015-2023	MOU between KU and IPB
18	University of Abardeen	Agreement of The Parties in Collaboration on Academic and Research	2019	-
19	University of Nottingham	partnership Agreement for Exchange Purpose	2019-2024	-
20	UFA Federal Research	the scientific cooperation in order to scientific studies	2020-2025	-
21	Max-Planck-Gesellschaft	Collaboration on Academic and Research	2021-2026	-
22	CRC EFFoRTs- IPB – Goetingen Univ	Genetic variations of stingless bees and Melissopalynology of the honey in the urban areas of North Sumatera and West Java	2017-2022	MoU and Counterpart Agreement
23	CRC EFFoRTs- IPB_ Univ Jambi	Genetic variations of stingless bees and Melissopalynology of the honey in the urban areas of North Sumatera and West Java	2017-2022	MoU and Counterpart Agreement
24	CRC EFFoRTs- IPB_ Univ Tadulako	Genetic variations of stingless bees and Melissopalynology of the honey in the urban areas of North Sumatera and West Java	2017-2022	MoU and Counterpart Agreement
25	CRC EFFoRTs- IPB – Goetingen Univ	Development of a Method to Capture Stingless Bees for Increasing Human Livelihood and Improving Biodiversity Assessment	2017-2022	MoU and Counterpart Agreement
26	CRC EFFoRTs- IPB_ Univ Jambi	Development of a Method to Capture Stingless Bees for Increasing Human Livelihood and Improving Biodiversity Assessment	2017-2022	MoU and Counterpart Agreement

27	CRC EFFoRTs- IPB_Univ Tadulako	Development of a Method to Capture Stingless Bees for Increasing Human Livelihood and Improving Biodiversity Assessment	2017-2022	MoU and Counterpart Agreement
28	Primate Research Institute, Kyoto University	Variation of taste reseptor in leave eater monkey	2014-2022	Scientific Publication
29	Wildlife Research Center, Kyoto University	Core to core research project (within 6 countries: Japan, Indonesia, Brazil, China, India, Malaysia)	2014-2019	Scientific Publication
30	Monpellier University	Bio-Anthropology	2013-2020	Scientific Publication
31	Borneo Orangutan Survival (BOS) Foundation	Orangutan genetics research	2020-2025	MoA
32	FMIPA, Universitas Haluleo	Tridharma collaboration	2016-2021	Scientific Publication
33	University of Zurich, Switzerland	Orangutan genetics conservation	2020-2025	MoA
34	LIPI	Penelitian bersama bidang biologi hewan	2005-2021	Scientific Publication
35	Wildlife Research Center, Kyoto University	Application of Environmental DNA (eDNA) Metabarcoding Method to Identify Threatened Sulawesi Mammal Based on 12S rRNA Gene	2020-2022	Scientific Publication
36	Primate Research Institute, Kyoto University	Functional diversity of Bitter Taste Receptor TAS2R38 in Old World Monkeys	2018-2020	Scientific Publication
37	CRC990 EFFoRTs- IPB – Goetingen Univ	Ecological and Sosioeconomic Functions of Tropical Lowland Rainforest Transformation Systems (Sumatra, Indonesia)	2017-2022	MoU
38	CRC990 EFFoRTs- IPB_Univ Jambi	Ecological and Sosioeconomic Functions of Tropical Lowland Rainforest Transformation Systems (Sumatra, Indonesia)	2017-2022	MoU
39	CRC990 EFFoRTs- IPB_Univ Tadulako	Ecological and Sosioeconomic Functions of Tropical Lowland Rainforest Transformation Systems (Sumatra, Indonesia)	2017-2022	MoU
40	Departemen Biologi, Universitas Tadulako	Research collaboration	2017-2020	Scientific Publication
41	Yayasan Ekosistem Lestari	Orangutan conservation in Sumatera	2020-2025	MoU and MoA
42	National Museum of Natural History, Paris, France	The honey harvesting practices on Apis dorsata and Molecular approach to assess the Migration of A. dorsata	2022-2027	MoU

43	Yayasan Inisiasi Alam Rehabilitasi Indonesia (YIARI)	Kerjasama Pendidikan, Penelitian, dan Pengabdian Masyarakat Bidang Ekosistem Lestari	2020-2023	MoU
44	Departemen Biologi Faculty of Science UPM	Student mobility	2017-now	3 students from UPM participated in Summer course
45	Flinders University	Joint degree	2018 – now	MoA
46	Nara Sciences and Technology (NAIST)	Research collaboration and Student Exchange	2006 – now	MoU, Final project student
47	Durham University	Joint research and supervision	2021- now	Thesis
48	Universitas Katolik Indonesia Atma Jaya	Joint research and supervision	2021- now	Thesis
49	Pusat Penelitian Biologi, LIPI	Joint research and supervision	2021- now	Thesis
50	Departemen Biologi, Universitas Pertahanan RI	Joint research and supervision	2021- now	Thesis
51	Dinas Lingkungan Hidup dan Kehutanan Prov. Bangka Belitung	Joint research and supervision	2021- now	Thesis
52	Ishinomaki Senshu University	Joint research and supervision	2018- now	Thesis
53	Badan Litbang Pertanian	Joint research and supervision	2019- now	Thesis
54	Pusat Penelitian Bioteknologi dan Bioindustri Indonesia	Joint research and supervision	2019- now	Thesis
55	Pusat Studi Satwa Primata	Joint research and supervision	2018- now	Thesis
56	Shoutern Illinois University	Joint research and supervision	2018- now	Thesis
57	Forest Products Research and Development Center; Research, Development and Innovation Agency (FORDA)	Joint research and supervision	2018- now	Thesis
58	PUSDOKKES POLRI	Joint research and supervision	2019- now	Thesis
59	Max Planck Institute of Animal Behavior	Joint research and supervision	2020- now	Thesis
60	Nara Institute Science and Technology	Research networking	2011-2013	
61	TUAT university, Japan	Research networking	2011-2012	
62	NWO, Scientific Res. Organization, The Netherlands	Research networking	2011-2014	
63	Kyoto University	research in color Perception of Colorblind Monkeys	2011-now	
64	Kyoto University	research in categorization in Monkeys	2011-now	
65	JSPS-DGHE . Japan soc. For promotion of science (MEXT)-DGHE (Mone)	Joint Research Projects	2011-now	
66	Kyoto University	research in anomalospoce in color blind monkeys (on going research)	2011-2014	
67	Kyoto University	research in hybrids between Sulawesi Macaque species	2011-now	

68	Kyoto University	research in Characteristics of Primate Population in Pangandaran after 2006 Tsunami	2006-now	
69	Kyoto University	research in Feeding Ecology of Trachipithecus aureus in Pangandaran National Park	2011-now	
70	Kyoto University	research in Seed dispersal by Mammals in Pangandaran National Park	2011-now	
71	Kyoto University	research in evolution of Sulawesi's monkeys from Genus Macaca	2011-now	
72	Kyoto University	research in Human Growth Pattern and Life Stages	2011-now	
73	Kyoto University	research in Experimental Behavior of Learning	2011-now	
74	Kyoto University	research in Dermatoglyphic pattern formation and its symmetry/asymmetry	2011-now	
75	Kyoto University	research in DNA-related analysis to evaluate biodiversity especially primate	2011-now	
76	Kyoto University	research in ecobiology of macaca fascicularis and Theropithecus auratus in pangandaran.	2011-now	
77	National Institute of Physiology Science	Theropithecus auratus Anomalospoce in color blind monkeys (on going research)	2011-now	
78	German Primate Center (DPZ)	Macaca nigra Project	2011-now	
79	Anthropological Institute and Museum (AIM), University of Zurich, Switzerland	Research in Conservation genetics of Orangutans	2011-2013	
80	Johannes-Gutenberg University Mainz, Germany	Research in The Evolution of Central Sulawesi Tarsiers (Tarsius spp.)	2011-2013	
81	International Atomic Energy Agency PBB	Research and Education Collaboration	2011-2013	
82	International Atomic Energy Agency PBB	Research in Genetic Variation on the Control of Resistance to Infectious Diseases in Indonesian Small Ruminants for Improving Animal Productivity	2011-2013	
83	CRC Goettingen Jerman	Start up Research in Research Collaboration and Education: Ecological Transformation System in Sumatra	2011-2014	

84	FAO	National Consultant of FAO for Invasive Alien Animal Species in Indonesia	2011-now	
85	Tokyo University	Research in Mycorrhiza	2013-2014	
86	ISEM-France	Biodiversity and Conservation of eel (ikan sidat) in Indonesia	2011-now	
87	KNAW Belanda	Research in Jatropha	2011-2014	
88	Ibaraki Univ Jepang	Student exchange (winter course)	2011-2013	
89	TUAT Jepang	Research in Sponges-associated bacteria	2011-2012	
90	Asia Pacific Network	Strategic rice cultivation	2011-2014	
91	Chubu Gakuin University	Lecture: "The structure of the brain and its development"	2011-2014	
92	San Diego State University	Research in Sulawesi Macaque genetic relatedness	2011-2013	
93	Chulalongkorn University	Research in Reproductive Biology of <i>Macaca nemestrina leonina</i>	2011-now	
94	Tsukuba University	Research in Endophytic Fungi	2013-2014	
95	NAIST Jepang-PPSHB IPB serta Deptan	Research in endophytic fungi.	2011-2012	
96	Montana State University	Research in Characterization of Olfactory Genes Mediating Mating Behavior of Rice Stem Borer Scirpophaga Incertulas	2011-now	
97	Tokyo University	Research in Human Biology in Lesser Sunda Island	2011-2013	
98	Chubu Gakuin University	Research in Colorblind gene in gibbon	2011-2012	
100	Tokyo University of Agriculture and Technology	Research in Antimicrobe substances from Softcoral bacteria	2011-2014	
101	Kassel University	Indonesian-German Network on Teaching and research	2011-2014	
102	Kasetsart University	Education collaboration	2015-now	
103	Tokyo University-JS-JICA-LIPI	Research in ectomychorrizal fungi	2012-2014	
1-04	Columbia University	SAInS – School Action for Innovations in Science	2012-2015	
105	Washington State University	Research in Migration of Brown Plant hopper: Molecular Approach	2013-2015	
106	Pupuk Kaltim	Test of bio fertilizer formulation based on rhizobacteria-fungi consortium for food crop.	2011-2012	
107	Mendiknas	Multilocation test and registration of new hybrid variety chilli	2011-2012	
108	Pemda. BangkaTengah	Research in Pelawan mushroom and agarwood	2011-now	

109	Lembaga Jurnal HAYATI, Bogor	Scientific writing workshop	2011-now	
110	KKP-DKP	genetic mapping of Fresh water fish in Indonesia	2011-2012	
111	PSPL Banten	Research Collaboration and Education	2011	
112	Balivet Deptan	Research advisors collaboration	2011	
113	WWF	Conservation Genetics of Javan rhinos	2011	
114	IAR	Coucang Rehabilitation Project	2011	
115	BRKP Maros	Research Collaboration	2011-2014	
116	Unmus Merauke	National Workshop of Scientific Writing Article	2011	
117	Stikom Uyilendo Kupang	National Workshop of Scientific Writing Article	2011	
118	LIPI	Indonesian Indigenous Fungi Systematics	2011-now
