Department of Biology
Faculty of Mathematics and Natural Sciences
IPB University, Indonesia

Undergraduate Program in BIOLOGY

CURRICULUM

Courses (credit)-144 Credit		
Common Core Courses (CC)	Fundamental Course (FC)	Foundational Literacy, Academic Core Course (ACC)
33	3	36
In-Depth Courses (IC)	Enrichment Courses (EC)	Final Project, Capstones, KKN, Internship
29	21	22

Area of Interests (Cluster):
Bioscience and Environment
Microbiology
Biotechnology

The waiting period for graduates to work:
3 Months

ALUMNI PROFILE

95%

Job Performance: Very Good - Good

1. Alumni Working:

National and multinational companies (39%)
Educational institutions (21%)
Government institutions of research or conservation (11%)
2. Alumni continue study (10%)
3. Entrepreneur Alumni (2%)

ACADEMIC STAFF

41 Academic Staffs	Authors of 100+ High Citation Index	12 Professors	180 Research Titles
100 Scientific Publications (2001-2023)	2 Top IPB Scientists (data)	Dyah Periwitasari-Parajannah Miftahudin	8 Registered Patents

HIMABIO

Himpunan Mahasiswa Biologi
Biology Student Club

GO INTERNATIONAL!

Student Exchange
Kasetsart University, Thailand
Since 2015

>10 Guest Lecture/Semester

ICoBio
International Conference on Biosciences
Biannual international scientific meeting

International Class in Tropical Biology
Since 2017

NETWORK

55 National Institutions
(2017-2023)

44 International Institutions
(2017-2023)

SCHOLARSHIP

Various types of scholarships can be obtained by students during the school period. There is a BIOFA (Biology for All), a scholarship from alumni for undergraduate students.

FACILITIES & LABORATORIES

8 Research Labs	2.5 ha Field Laboratory
8 Teaching Labs	Animal Experimental House
Mushroom House	1 Reading Room 5 Seminar Rooms 6 Greenhouses

HAYATI
Jurnal of Biosciences
Scopus*
Published by Department of Biology and Indonesian Society for Biology has been indexed in Scopus database, and hosted by HighWire Press

All educational and research activities are supported by:

IPB Culture Collection
ISO/IEC 17025: 2017

BioFuture:
Production and Service Unit

JSDH
Jurnal Sumberdaya Hayati
ISSN : 2477-037X

Web integrated student data and official social media

ACCREDITATION A

SN ISO 9001:2015

The process of Academic Administration Service and Learning

AUN-QA

Adapt university network Quality assurance
