

Preparation of SPMI Form Meetings

On Saturday, July 19th, 2014 from 08:00 am to 08:00 pm at IPB International Convention Center, Department of Biology held a meeting to prepared a Internal Quality Assurance Standards (SPMI) documents. Beginning in 2014, IPB applied SPMI system for Postgraduate program, after several years it just applied for Bachelor program. Department of Biology had to prepared seven sets of SPMI documents because it has 1 Bachelor program and 6 Graduate programs. IPB had been accredited A as an institution and the entire study programs at the Department of Biology also had been accredited A by BAN PT. SPMI was expected to be the driving force to maintained this achievement and improving the quality of implementation of academic activities in IPB. (Hirmas FP, translator)
