

Oncom Blended Drink as the Winner

Students of [Department of Biology](#), [Meiliana Choiriyah](#), [Rosy Saputri](#) and [Apip Nurdin](#) were the 1st winner of AGRI FESTIVAL 2016 that organized by Mahasiswa Peminat Sosial Ekonomi Pertanian (Misekta) - Hasanuddin University, Makassar. AGRI FESTIVAL 2016 was a National Business Plan Competition themed 'Aksikan Ide Bisnismu Menjadi Wirausaha Pertanian yang Kreatif melalui Inovasi Pangan Lokal'. The event participated by student team from Indonesia universities such as [Bogor Agricultural University](#), Bandung Technology University, Hasanuddin University, Brawijaya University, and Padjadjaran University.

Mei and the team proposed '*O'Shake*', a blended drink contained oncom and pineapple juice. This blended drink is believed as the first in the world. The team hope that *O'Shake* will able to increase the value of oncom as a traditional Sundanese food in function and economy. Moreover, *O'Shake* will contribute in the health improvement and act as anti-aging agent. Basically, the drink idea was inspired by [Prof. Dr. Ir. Antonius Suwanto M.Sc.](#) speak in the class. In this event, [Dr. Ir. Dorly M.Si.](#) and [Dra. Hilda Akmal M.Si.](#) acted as supervisor of the team. In the end, the Department congratulate the team for the achievement.

Note: Special thanks to IPB Lingkar Media and [Wildan Mubarok](#)
