ON MIPA-PT 2016: Medal Tradition Continued

×

<u>Department of Biology</u> ON MIPA - PT (Olimpiade Nasional Bidang MIPA - Perguruan Tinggi) team continuing medal tradition in the competition. This year the <u>Department</u> achieved 3 medals, 1 silver medal and 2 bronze medals. The medalists are EKKY ILHAM ROMADHONA (Silver Medal), <u>WENANG MAHARSIWI</u> (Bronze Medal), and SISWADI AJI HUTOMO (Bronze Medal).

In the event held on 24-26 May 2016 in Kartika Chandra Hotel

Jakarta, the <u>Department</u> team were composed of five brilliant students who already passed regional selection of ON MIPA - PT. They were Siswadi Aji Hutomo, <u>Fahamah Syarifa</u>, Ekky Ilham Romadhona, Ismael Shaleh, and <u>Wenang Maharsiwi</u>. Ekky Ilham Romadhona was silver medalist in <u>the last event</u>. Meanwhile, this year event was the second time for <u>Wenang Maharsiwi</u>. The other IPB team, also achieved some medals. The Chemistry team achieved 2 bronze medals and the Physiscs team honorable mention.

<u>Department of Biology</u> officially congratulate for IPB ON MIPA - PT team achievement: "well done on making us proud. Your accomplishments are indeed no mean feat". Congratulation! Thank you for the cooperation of all parties that support the success of this team.
