

AUN QA Accreditation Preparation: Bangkok Training Course

Dr Iman Rusmana, head of the department of biology, took a part in the AUN-QA Training Course for Accomplishing Programme Assessment. The training held in Bangkok and organized by AUN (Asean University Network). The training that held on 23-26 August 26th aims to introduces the AUN-QA (AUN Qualify Assurance) system and enhance the QA in universities. Dr Iman took a part of the training as a preparation of #bioipb AUN assessment in the next few years. Yes! We're on our way to get AUN-QA certification!
